

Libraries Are Better With Friends Like You!

For over 30 years, Friends of Tennessee Libraries (FOTL) has been bringing Friends of Libraries together to learn, grow, and share as they work to support their local libraries.

What can you look forward to as a member of FOTL in the coming year?

- Support and advice from a **dedicated team of mentors**.
- Opportunities to **share strategies and tips** on fundraising, membership, and advocacy with Friends across the state.
- Chances to **apply for grants** that will help you fulfill your group's mission and to recognize **outstanding Friends** by nominating them for awards.
- Help with tools such as **Canva** and **Zoom**.

We're grateful for your library Friendship, not just today, but every day of the year, and we hope you'll continue to be part of FOTL and its amazing **community of library supporters**.
